CLEARINGHOUSE RULE 23-013

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

1. Statutory Authority

Because the department is expanding the youth hunt to four consecutive days in October, in SECTION 1 of the proposed rule, amending s. NR 10.01 (3) (ev), a reference to s. 29.016 (2) (a) 1., Stats., should be added to the list of statutes under the statutory authority section of the rule analysis.

2. Form, Style and Placement in Administrative Code

a. In SECTION 4 of the proposed rule, the treatment to the beginning of s. NR 10.104 (12) (c) should follow the style prescribed by s. 1.04 (4) (c), Manual. In SECTION 6 of the proposed rule, s. NR 10.145 (intro.) should be revised in the same manner.

b. In SECTION 5, the provisions currently numbered 1. to 5. should be indicated as pars. (a) to (e). Further, in provisions 3. and 5., “must” should be changed to “shall”. In addition, it appears that the Note included in the rule is no longer needed.

c. In the relating clause in SECTION 7, the period should be replaced by a colon.

5. Clarity, Grammar, Punctuation and Use of Plain Language

In s. NR 10.145 (4), the instances of “person that” should be changed to “person who”.
